## VINCENT FURNARI

MANAGING PARTNER

### WITH KIRCHHOFF SINCE

June 2022

### SHORT CV

Vincent Furnari spent many years in leading positions at various major companies. Among other things, he was Managing Director of sgs Group Germany for almost five years, Chief Financial Officer of TÜV Rheinland AG for six years, and partner of a strategy consultancy focussing on capital markets and corporate governance for almost one year.

With his extensive expertise and experience, he has successfully implemented complex key projects in the areas of finance, strategy and digitalisation in these companies with up to 20,000 employees and €2 billion in turnover, including the placement of an ESG Linked promissory note loan of €200 million as part of the green finance strategy. He was responsible for trusting communication with banks, investors and supervisory bodies, as well as transparent and efficient reporting by the respective companies.

Vincent Furnari is a qualified banker with a subsequent Bachelor Professional of Banking (CC1) degree from the Frankfurt School of Finance & Management.

### GOOD COMMUNICATION IS FOR ME ...

... convincing!
